

Virginia Electric and Power Company, et al., Docket Nos. 50-338 and 50-339, North Anna Power Station, Units No. 1 and No. 2, Louisa County, Virginia

Date of application for amendments: February 3, 1998.

Brief description of amendments: The amendments revise the Technical Specifications (TS) Surveillance Requirement 4.4.10.1.1, modifying the inspection requirements for the Reactor Coolant Pump (RCP) flywheels for both units and eliminating the examination requirements for the flow straighteners in each steam generator to the RCP elbow on Unit 1.

Date of issuance: April 22, 1998.

Effective date: April 22, 1998.

Amendment Nos.: 211 and 192.

Facility Operating License Nos. NPF-4 and NPF-7: Amendments revised the Technical Specifications.

Date of initial notice in Federal Register: March 11, 1998 (63 FR 11924)

The Commission's related evaluation of the amendments is contained in a Safety Evaluation dated April 22, 1998.

No significant hazards consideration comments received: No.

Local Public Document Room location:

The Alderman Library, Special Collections Department, University of Virginia, Charlottesville, Virginia 22903-2498

Dated at Rockville, Md., this 29th day of April 1998.

For the Nuclear Regulatory Commission.

Stuart A. Richards,

Acting Director, Division of Reactor Projects—III/IV, Office of Nuclear Reactor Regulation.

SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting; Notice of Application to Withdraw from Listing and Registration; (Oryx Technology Corp., Common Stock, \$0.001 Par Value; Common Stock Warrants) File No. 1-12680

April 30, 1998.

Oryx Technology Corp. ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw

the above specified securities ("Securities") from listing and registration on the Pacific Exchange, Inc. ("PCX" or "Exchange").

The reasons cited in the application for withdrawing the Securities from listing and registration include the following:

The Securities of the Company have been listed for trading on the Exchange and, pursuant to a Registration Statement of Form 8-A, effective on April 5, 1994, the National Association of Securities Dealers Automated Quotation System ("NASDAQ"). Trading in the Company's Securities on the NASDAQ commenced at the opening of business on April 6, 1994, and concurrently therewith on the PCX.

The Company has complied with Exchange Rule 3.4(b) by filing with the Exchange a certified copy of the resolutions adopted by the Company's Board of Directors authorizing the withdrawal of the Securities from listing and registration on the PCX and by setting forth in detail to the Exchange the reasons for and facts supporting the proposed delisting. In deciding to withdraw its Securities from listing and registration of the PCX, the Company considered the direct and indirect costs and expenses attendant on maintaining the dual listing of its Securities on the NASDAQ and the PCX. The Company does not see any particular advantage in the dual trading of its Securities and believes that dual listing will fragment the market for its Securities.

By letter, the Exchange informed the Company that it has no objection to the withdrawal of the Company's Securities from listing and registration on the PCX.

By reason of Section 12 of the Act and the rules and regulations thereunder, the Company shall continue to be obligated to file reports under Section 13 of the Act with the Commission.

Any interested person may, on or before May 21, 1998, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the Exchange and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,

Secretary.

SECURITIES AND EXCHANGE COMMISSION

[File No. 500-1]

Solucorp Industries, Ltd.; Order of Suspension of Trading

April 30, 1998

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Solucorp Industries Ltd. ("Solucorp") because of questions regarding the accuracy of assertions by Solucorp in documents sent to and statements made to market makers of the stock of Solucorp, other broker dealers, and to investors concerning, among other things: (1) the negotiation, existence and terms of contracts entered into by Solucorp during the period July 1, 1995 through the present; (2) revenues purportedly accrued under a license agreement with Smart International Ltd. and reported in financial statements for the quarter ended September 30, 1997 and the six-month period ended December 31, 1997, which were included in a registration statement and transition report filed with the Commission in December 1997 and April 1998, respectively; and (3) revenues projected in press releases on August 27, 1997, October 24, 1997 and April 16, 1998.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above listed company.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the above listed company is suspended for the period from 9:30 a.m. EST, May 1, 1998 through 11:59 p.m. EST, on May 14, 1998.

By the Commission.

Jonathan G. Katz,

Secretary.
